*Our Girls Know
What Every Girl Wants!*

Dear Friends,

It's hard to believe but GLITTERS FINE JEWELRY celebrates our 30th anniversary in 2010.

When Diane started Glitters in her kitchen, she began a 30-year journey that brought us to our present location at Camelot Court, all the time working to maintain that "homey" family feeling. She celebrated thousands of engagements, weddings, anniversaries, birthdays and holidays and loved every moment.

She referred to *all* who worked with her and *all* who shopped with her as her "Glitters Family." The girls at Glitters feel the same, and have loved carrying on her dream.

This year we will concentrate on you, our "Glitters Family". We have many fun and exciting things planned to unfold throughout the year to show our thanks for a glorious and successful 30 years.

So, watch your mailbox. And, don't forget to check our website www.glitters.com to keep abreast of the year-long surprises we will be bringing you, culminating with a "Big Bang" at year's end!

Again, thank you one and all for letting us keep you GLITTERING!

Love,

Your "Glitters Family"

P.S. Those holiday coupons are good through February!
