Find Your Ring Size

Please note

Before printing, be sure the page scaling is set to "None" in your print options.
Make sure you are printing to standard letter 8.5" x 11" size paper. Your ring sizer should be 3.5 inches.

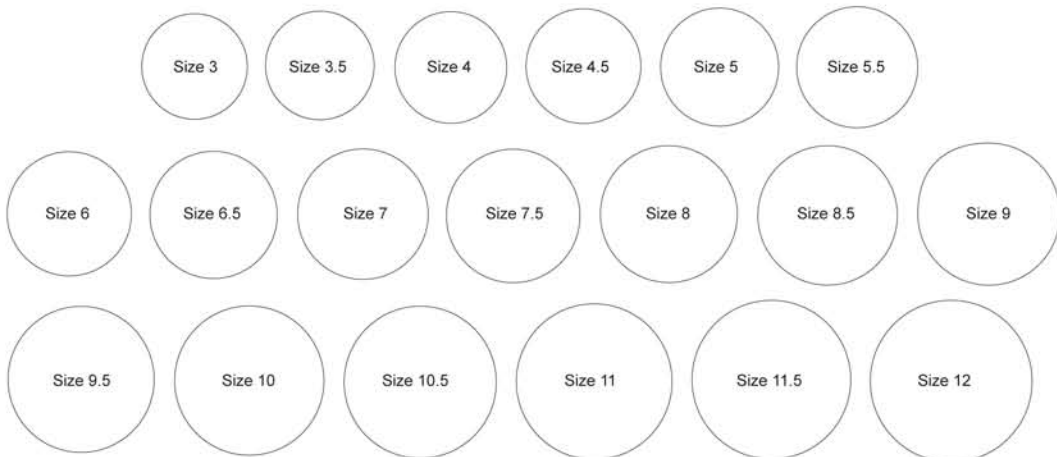

Option 1: Use ring sizer to measure finger

1. Print and cut out the ring sizer below.
2. Wrap the ring sizer around your ring finger with the number side visible to you.
3. Take note of the number that appears closest to the slit - that is your ring size.

Option 2: Measure a Current Ring

1. Select a ring you have that fits your ring finger correctly (or any finger you intend to wear your ring on).
2. Place the ring over the circles below until the inside of your ring matches a specific circle.
3. If your ring falls between two sizes, order the larger.

Option 3: Come see us and we'll measure your finger!
